# GUARDIAN

*The brawniest of mercenaries are known as Guardians. Steady on their feet and able to shrug off injuries that would fell most warriors, they are the perfect choice when you need to hold a position or protect a vulnerable comrade from harm.*

---

Increase starting Health by 1.

## BRUTAL ASSAULT

1 Make a Melee Attack using +1 dice. Lay target prone.

2 Choose character engaged with you up to your size. Move them to any square in short range and LoS with no AoO. They suffer attack with +1 dice. adding 1 die if they hit a wall or terrain piece. Lay them prone. If they hit a character, it suffers the same attack.
**Passive:** Ignore Cumbersome for melee weapons.

3 Make up to three Melee Attacks with +1 dice. Lay target prone. Then Move.

## FRENZY

1 Use before melee attack to roll +2 dice.

2 Use before melee attack to roll +3 dice.

## IMPERVIOUS

1 **Reaction:** Use when you would suffer a status counter. Discard it.

2 Gain +2 until end of round.

3 Restore 1 Health (even above starting level). Discard any status counters. You may ignore all damage, resist all spells, and discard all status counters suffered until end of round.

## ONSLAUGHT

1 **Reaction:** Use after scoring hits in melee. Make a Melee Attack.

2 **Reaction:** Use after scoring hits with an attack. You may Move and then make a Melee Attack.

3 Use during a Move. Ignore AoO. You may make a Melee Attack against each enemy engaged while moving.

## QUICK RECOVERY

1 Restore 1 Health.

2 Use before activating to remove all / /

3 **Reaction:** Use when defeated to restore 1 Health and Stand Up.
**Passive:** At start of turn, remove 1

## READY FOR ANYTHING

1 **Reaction:** Use any time. Take an action.

2 **Passive:** Use any time, once per round. Take an action and become Fatigued.

## STEADY

1 You cannot be Stunned/Knocked Back/prone until end of round.

2 You cannot Move this turn. Gain +1 die on attacks and Knock Backs.
**Passive:** Ignore Cumbersome in any turn where you do not Move.

3 Until end of round:
- You cannot be Fatigued/Stunned/Knocked Back/prone.
- Enemies cannot leave contact without permission.
- After suffering melee attack, make free Knock Back.
- If enemy moves within 2 squares, make free Dash to engage them and become their target.

## WEAPONS MASTER

1 Make a Melee Attack with a weapon. You may re-roll 1 die.
**Passive:** Use Shield Block as an effortless action.

2 After melee attack with a weapon, target is Wounded and Stunned.
**Passive:** Melee Attack is an effortless action.

3 Use after rolling a melee attack with a weapon. Roll again for a different weapon, combining hits and effects. results apply separately. Then Knock Back with +1 die or Move ignoring AoO.
**Passive:** During melee attacks, on blue die = critical hit.
