MARKSMAN

While mercenaries are usually jacks-of-all-trades, Marksmen choose to specialise in ranged combat. Experts in ambush tactics, Marksmen find the perfect position to attack from a distance, often defeating their foes with seemingly impossible shots. Most Marksmen are adept with all manner of ballistic weaponry.

Hawkeye: Ranged attacks ignore cover. May fire at engaged characters without randomising target.

AMBUSH

1 **Reaction:** Use when enemy ends Move within 4 squares and you are in cover. Make a Ranged Attack against them. You may Dash before or after.

2 **Reaction:** Use when enemy ends Move within 4 squares and you are in cover. Make a Move and then an Attack against them. You may Dash once before or after either action.

3 **Reaction:** Use when enemy ends Move within 4 squares and you are in cover. Make a Move, an Attack, and a Move. You may Dash once before or after any of these actions.

BULLSEYE

1 Make short-range Ranged Attack. Do not roll. Scores 1 hit, ignoring cover.

2 Make medium-range Ranged Attack. Do not roll. Scores 1 hit, ignoring cover and physical armour.

3 Make medium-range Ranged Attack. Do not roll. Scores 2 hits, ignoring cover and physical armour.

COUNTERSHOT

1 **Reaction:** Use when targeted with ranged attack/spell, before resolving. Make Ranged Attack/cast spell against attacker.

2 **Reaction:** Use at any time after target enemy takes first action each round. Make Ranged Attack/cast spell against target.

3 **Reaction:** Use any time. Make Ranged Attack/cast spell against enemy with +1 die, then Move.

DUCK FOR COVER

1 **Reaction:** Use when targeted with ranged attack or spell when within 4 squares of cover. Move into cover.

2 **Reaction:** Use when targeted with ranged attack or spell when within 4 squares of cover. Move into cover and ignore effects of attack.

3 **Reaction:** Use any time. In any order, Move into cover ignoring AoO and Attack. You cannot be targeted until end of round while still.

FLEET OF FOOT
